## **"Care to Share"...in these tough economic times**

Dear valued patient,

It is true that change seems to be the only certainty in today's world. If you lost your dental insurance, you are not alone.

The MGM Dental Group realizes that many of our patients are faced with difficult decisions in these tough times. Delaying or neglecting you or your family's oral health care may result in more serious and costly problems down the road. A decision to maintain your family's oral health is a decision to support their general health.

To assist you in these hard times, the MGM Dental Group, in association with Reliant Ins., now offers a special program to our non-insured patients, called the Dental Discount Saving Program.

For a yearly fee of \$69.00 for an individual or \$99.00 for a family, the Dental Discount Saving Program offers significant savings (up to 35% off) on all dental services in both of our state of the art dental offices.

If you have any questions about the Dental Discount Saving Program for uninsured patients, please call Lori at MGM Dental at (586) 263-4720 or (248) 608-1600. Feel free to pass this information on to any friends or family members also in need of dental care. You can also visit our website at [www.mgmdental.com](http://www.mgmdental.com) for additional information.

Yours in health,

The Doctors and Staff of MGM Dental
